Section 8. Disability. If the Superintendent is unable to perform his duties by reason of illness, accident or other disability beyond his control, and the disability continues for more than forty (40) days, or if the disability is permanent, irreparable, or of such a nature as to make performance of his duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Superintendent under any insurance coverage furnished by the district.

Section 9. Transportation. The Board shall provide the Superintendent with transportation required in the performance of official duties. If the Superintendent chooses to take his own vehicle, he understands fully that he does so at his own expense.

- e. **Vacation.** The Board shall give the Superintendent 20 vacation days for the 2026-27 contract year which he may use at times he chooses so long as his absence does not interfere with the proper performance of his duties. During any subsequent year, the Board shall give the Superintendent up to 20 days to bring his total accumulation to no more than 20 days. For example, if the Superintendent uses 12 days of vacation one year, the board will provide him with 12 days of vacation for the following year to bring his total to 20 days. The Superintendent shall notify the board president prior to taking vacation days and shall collaborate with the district's bookkeeper to develop a system for recording his use of vacation days and shall keep such records current and on file in the district's central office. The Board may require the Superintendent to use his vacation days. In the event the district provides the Superintendent with a phone, the Superintendent shall be permitted to use the cellular phone for personal calls, so long as these calls are reasonable in number and length and do not cause the school district to exceed the number of minutes allowed to the school district in its contract with the cellular phone service provider. In the event that the Superintendent's personal calls do cause the school district to exceed the minutes provided for in its cellular phone contract, the school district is authorized to deduct the cost of the overage from the Superintendent's next regular paycheck.
- l. **Vacation days used for work purposes.** The Superintendent may at his discretion and upon notification to Board President work on up to 7 days of Vacation leave and receive his daily salary for such work.
